

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 15-6712

CALVIN WAYNE BARBER,

Petitioner - Appellant,

v.

RANDY REGISTER,

Respondent - Appellee.

Appeal from the United States District Court for the Eastern
District of North Carolina, at Raleigh. Louise W. Flanagan,
District Judge. (5:15-hc-02016-FL)

Submitted: July 23, 2015

Decided: July 28, 2015

Before NIEMEYER and KING, Circuit Judges, and HAMILTON, Senior
Circuit Judge.

Dismissed by unpublished per curiam opinion.

Calvin Wayne Barber, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Calvin Wayne Barber seeks to appeal the district court's order dismissing his 28 U.S.C. § 2254 (2012) petition without prejudice as an unauthorized, successive petition. The order is not appealable unless a circuit justice or judge issues a certificate of appealability. 28 U.S.C. § 2253(c)(1)(A) (2012). A certificate of appealability will not issue absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2) (2012). When the district court denies relief on the merits, a prisoner satisfies this standard by demonstrating that reasonable jurists would find that the district court's assessment of the constitutional claims is debatable or wrong. Slack v. McDaniel, 529 U.S. 473, 484 (2000); see Miller-El v. Cockrell, 537 U.S. 322, 336-38 (2003). When the district court denies relief on procedural grounds, the prisoner must demonstrate both that the dispositive procedural ruling is debatable, and that the petition states a debatable claim of the denial of a constitutional right. Slack, 529 U.S. at 484-85.

We have independently reviewed the record and conclude that Barber has not made the requisite showing. Accordingly, we deny a certificate of appealability, deny leave to proceed in forma pauperis, and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented

in the materials before this court and argument would not aid the decisional process.

DISMISSED
