PER CURIAM:

Appellants appeal from the district court's order denying a motion for the district court judge to recuse himself and from the order dismissing this diversity action as a sanction for Appellants' repeated failure to comply with discovery requests and failure to comply with the court's orders. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Bowen v. State Farm Fire & Cas. Co., No. CA-94-170-4 (M.D.N.C. Mar. 30 & 31, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
