PER CURIAM:

Appellant appeals from the district court's orders granting summary judgment to Defendants on his employment discrimination complaint and denying his Fed. R. Civ. P. 59(e) motion. We have reviewed the record and the district court's opinion and find no abuse of discretion and no reversible error. Accordingly, we affirm on the reasoning of the district court. Rife v. Richmond Technical Ctr., No. CA-94-909 (E.D. Va. May 3 & 23, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
