Submitted: July 25, 1996

Decided: August 7, 1996

---

Before LUTTIG and MOTZ, Circuit Judges, and PHILLIPS, Senior Circuit Judge.

---

Affirmed by unpublished per curiam opinion.

---

Amir James Attar, Appellant Pro Se. Stephen Aubrey West, Assistant United States Attorney, Raleigh, North Carolina, for Appellee.

---

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellant appeals from the district court's order granting judgment for the United States in its civil forfeiture action and ordering specific performance of Appellant's plea agreement requiring him to sign a consent order of forfeiture. Appellant's motion for inclusion of all pleadings in the record on appeal is granted in part to the extent necessary to review the district court's order. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. United States v. 3400 Swift Drive, No. CA-91-744-5-BO (E.D.N.C. Sept. 28, 1995). We deny Appellant's motion for recusal of some members of the court. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
