PER CURIAM:

Appellant appeals from the district court's order granting the Defendant's motion for summary judgment in this employment discrimination action. We have reviewed the record and the district court's opinion adopting the magistrate judge's recommendation and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Seay v. Department of the Navy, No. CA-94-3423 (D.S.C. Dec. 21, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
