PER CURIAM:

In No. 96-1854, Appellants appeal the district court's order dismissing their civil action alleging breach of contract and other related claims. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Potter v. Crestwood Golf Club, No. CA-95-4046-5-22-BC (D.S.C. Apr. 18 & May 17, 1996).

In No. 96-1735 and No. 96-1883, Appellants appeal the district court's order dismissing their civil action alleging breach of contract and other related claims. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Potter v. Crestwood Golf Club, No. CA-94-2047-5-22BC (D.S.C. May 19, Oct. 20 & Nov. 28, 1995; Apr. 18 & May 21, 1996).

We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
