PER CURIAM:

Appellants appeal from the district court's order granting Defendants' motion to dismiss for failing to state a claim upon which relief could be granted and dismissing Appellants' action pursuant to the civil remedies provisions of the Individuals with Disabilities Education Act, 20 U.S.C.A. § 1415(e)(4)(B) (West Supp. 1996). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Lawrence v. Montgomery County Pub. Schools, No. CA-96-330-JFM (D. Md. May 22, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
