PER CURIAM:

Appellant appeals the district court's order granting Defendant's motion for summary judgment and dismissing Appellant's suit filed pursuant to the Americans with Disabilities Act of 1990, 42 U.S.C. § 12112 (1994). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Bricker v. Maryland, No. CA-95-3624-S (D. Md. July 26, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
