PER CURIAM:

Appellant appeals the district court's order granting summary judgment to Defendants in Appellant's employment discrimination suit. We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Nelson-Richards v. Board of Trustees of Montgomery Community College, No. CA-93-323-WN (D. Md. July 25 & Sept. 9, 1994; July 22, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
