PER CURIAM:

Appellants appeal the district court's order dismissing their civil action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we deny Appellants' motion for summary reversal and affirm on the reasoning of the district court. Strahler v. Townsley, No. CA-96-1797-AMD (D. Md. Sept. 30, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
