

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 96-2598

CAROL A. SANSONE,

Plaintiff - Appellant,

versus

MCI TELECOMMUNICATIONS, INCORPORATED,

Defendant - Appellee.

Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. Leonie M. Brinkema, District Judge. (CA-96-397-A)

Submitted: April 28, 1998

Decided: June 9, 1998

Before MURNAGHAN, ERVIN, and MICHAEL, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Carole A. Sansone, Appellant Pro Se. Alexander Neal Barkus, HUNTON & WILLIAMS, Washington, D. C., for Appellee.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Carol A. Sansone appeals a district court order granting Defendant summary judgment in an action in which she alleges breach of contract and employment discrimination under Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000e to 2000e-17 (1994). After reviewing the record, and the reasoning articulated by the district court in open court during summary judgment proceedings, we find no reversible error and accordingly affirm the district court order. We further deny Sansone's "Motion for General Relief and for Expeditious Hearing" as moot. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
