PER CURIAM:

Appellant appeals the district court's order entering judgment in favor of Defendants after a bench trial on Appellant's copyright and contract claims. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Armento v. Laser Image, Inc., No. CA-95-102-1 (W.D.N.C. Oct. 18, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
