PER CURIAM:

Appellant appeals from the district court's order denying his motion for reduction of sentence. Upon reviewing the record for abuse of discretion we find that there was no abuse of discretion. Accordingly, we affirm on the reasoning of the district court. United States v. Evans, No. CR-92-163-N (E.D. Va. Mar. 22, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
