Circuit Judge.

See Local Rule 36(c).

PER CURIAM:

Appellant appeals the district court's order denying relief on his 42 U.S.C. § 1983 (1994) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Simpson v. Campbell County School Sys., No. CA-96-1043-R (W.D. Va. Dec. 10, 1996). We deny Appellant's Petition for Summary Judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
