PER CURIAM:

Appellant appeals the district court's order denying relief on his motions for leave to file actions in the district court. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. In re Counts, No. MC-96-25-A (W.D. Va. Dec. 19, 1996). Additionally, we deny Appellant's motion for judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
