PER CURIAM:

Appellant appeals the district court's orders dismissing his employment discrimination action and denying his motion for reconsideration. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Jackson v. NCT Corp. & PFS Corp., No. CA-95-175-7-F (E.D.N.C. Oct. 30 & Dec. 17, 1996). We also deny Appellee's motion to dismiss and motion to strike documents. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
