PER CURIAM:

Appellant appeals the district court's order dismissing her claim of employment discrimination. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Hampton v. University of Maryland, No. CA-95-3356-CCB (D. Md. Jan. 28, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
