PER CURIAM:

Appellant appeals the district court's order entering judgment for his employer on his claims of retaliatory and constructive discharge. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Savage v. Board of Trustees, No. CA-92-3646-DKC (D. Md. Jan. 27, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
