PER CURIAM:

Appellant appeals the district court's order dismissing her civil action alleging conspiracy in state court domestic relations proceedings. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Litzenberg v. Litzenberg, No. CA-97-610 (D. Md. Mar. 4, 1997). We deny Appellant's motions for oral argument and to amend the record. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
