PER CURIAM:

Appellant appeals the district court's adverse grant of summary judgment in her civil suit alleging employment discrimination and intentional deprivations of her constitutional rights in violation of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e (1994), 42 U.S.C. §§ 1981, 1983 (1994). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Dorsey v. Rutherford County, No. CA-96-94-4 (W.D.N.C. Mar. 26, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
