Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Appellant appeals the district court's order granting Defendant's motion for summary judgment and denying counsel's motion for leave to withdraw. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Johnson v. United Steelworkers, No. CA-96-216-B (W.D. Va. June 26, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
