PER CURIAM:

Appellant appeals the district court's order granting summary judgment in favor of the Appellees and dismissing this civil action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Davis v. Rhone-Poulenc Inc., No. CA-96-525-2 (S.D.W. Va. Sept. 11, 1997). We deny Appellants' motion to have deposition transcripts made a part of the record on appeal and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
