PER CURIAM:

Appellant appeals the district court's order granting summary judgment in favor of Defendant in Appellant's employment discrimination action. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Doe v. Towson State Univ., No. CA-96-1262-JFM (D. Md. Oct. 2, 1997). We deny Appellant's motion to reseal the record. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
