Appeal from the United States District Court for the District of Maryland, at Baltimore. Andre M. Davis, District Judge. (CA-96-2283-AMD)

Submitted: June 12, 1997

Decided: June 17, 1997

Before WIDENER and WILLIAMS, Circuit Judges, and PHILLIPS, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Walter Harding, Appellant Pro Se. John Joseph Curran, Jr., Attorney General, Toni-Jean Lisa, OFFICE OF THE ATTORNEY GENERAL OF MARYLAND, Baltimore, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellant appeals the district court's order denying relief on his 42 U.S.C. § 1983 (1994) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Harding v. Corcoran, No. CA-96-2283-AMD (D. Md. Feb. 13, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
