PER CURIAM:

Appellant appeals from the district court's orders denying relief on his 42 U.S.C. § 1983 (1994) complaint and denying his motion for injunctive relief. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Mills v. Maryland Penitentiary Hosp. Dentists, No. CA-96-1277-DKC (D. Md. Jan. 31 & May 8, 1997). We deny Appellant's motion for a transcript. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
