PER CURIAM:

Ephrain Reliford, Jr., appeals the district court's judgment after a jury trial dismissing the action filed under 42 U.S.C. § 1983 (West Supp. 1998) and related orders. We have reviewed the record and the district court's opinions and the opinion accepting the recommendation of the magistrate judge, in part, and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Reliford v. McCarthy, No. CA-95-2797-3-17 (D.S.C. Aug. 13, Jul. 29, May 29, & Feb. 18, 1997). With respect to the trial, we also find no reversible error. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process. We also deny Reliford's motions for production of documents and judicial notice.
