PER CURIAM:

Appellant appeals the district court's order dismissing Appellant's civil rights claims under Fed. R. Civ. P. 12(b)(6) for failure to state a claim. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Henderson v. North Carolina, No. CA-97-279-1-C (W.D.N.C. Nov. 13, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
