Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellants appeal the district court's orders denying relief in their civil action and motion to reconsider. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Outen v. Baltimore County, No. CA-96-402-Y (D. Md. Jan. 29 & Mar. 12, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
