PER CURIAM:

Emma V. Howard appeals the district court's order denying relief on her civil rights complaint. We have reviewed the record and the district court's opinion accepting the magistrate judge's recommendation and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Howard v. United States District Court, No. CA-98-97-1 (M.D.N.C. Feb. 3, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
