PER CURIAM:

James and Lorri Alday appeal the district court's order granting Appellee summary judgment in this diversity personal injury action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Alday v. Tecphy Division Firminy, No. CA-97-2356-2-18 (D.S.C. July 10, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
