PER CURIAM:

James Bailey seeks review of the Benefits Review Board's decision and order affirming the administrative law judge's denial of black lung benefits pursuant to 30 U.S.C.A. §§ 901-945 (West 1986 & Supp. 1998). Our review of the record discloses that the Board's decision is based upon substantial evidence and is without reversible error. Accordingly, we affirm on the reasoning of the Board. Bailey v. R.A.P. Coal Co., BRB No. 97-1648-BLA (B.R.B. June 24, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
