PER CURIAM:

Ollye Tine Snow Reynolds and Bobby O. Reynolds appeal the district court's order dismissing this action for failure to state a claim upon which relief could be granted. We have reviewed the record and the district court's order and find no reversible error. Accordingly, because the Plaintiffs failed to state a claim, we affirm. See Reynolds v. Fairfax County Pub. Schs., No. CA-97-1592-A (E.D. Va. July 13, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
