PER CURIAM:

Robert Barnwell Clarkson appeals the district court's orders denying his "motion for a new trial" and granting summary judgment to the Defendant in his Freedom of Information Act request. We have reviewed the record and the district court's opinion and orders and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Clarkson v. White House Counsel, No. CA-97-3833-8-08BD (D.S.C. June 24 & July 23, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
