PER CURIAM:

Pamela Killian appeals the district court's order granting summary judgment in favor of the Commissioner of Social Security on Killian's claim of disability under the Social Security Act. See Killian v. Apfel, No. CA-97-97-5-V (W.D.N.C. Sept. 30, 1998). We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Killian fails to show that the decision of the Administrative Law Judge ("ALJ") was not supported by substantial evidence. Accordingly, we affirm. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
