Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Lori Baker appeals the district court's order granting summary judgment in favor of her former employer in her civil action in which she alleged discrimination based upon disability and related claims. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Baker v. United States Postal Service, No. CA-97-546-2 (M.D.N.C. Oct. 6, 1998). We deny Appellee's motion to strike Appellant's exhibits. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
