PER CURIAM:

Appellant appeals the district court's order denying relief on his 28 U.S.C. § 2241 (1994) petition. We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Brewster v. Olson, No. CA-97-975-5 (S.D.W. Va. Dec. 1, 1997). Brewster's motions for release on bond pending appeal, to expedite appellate review, and for appellate court review are now moot and therefore denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
