Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Angel Mossa appeals the district court's order dismissing without prejudice his 42 U.S.C. § 1983 (1994) complaint. The district court ordered Mossa to pay a partial, initial filing fee with the remainder of the fee to be paid in installments from Mossa's prison account. The district court could properly require such collection from an inmate under 28 U.S.C.A. § 1915 (West 1994 & Supp. 1998). Accordingly, the court's dismissal of the action, without prejudice, when Mossa failed to comply with its order was not an abuse of discretion. We therefore affirm the judgment below. We deny Mossa's motion for transcript. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
