

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 98-6771

ROY BENJAMIN SALLEY,

Plaintiff - Appellant,

versus

DR. BLAND, Medical Doctor at Perry Correctional
Institution,

Defendant - Appellee.

Appeal from the United States District Court for the District of
South Carolina, at Charleston. David C. Norton, District Judge.
(CA-97-3071-2-18AJ)

Submitted: July 30, 1998

Decided: September 8, 1998

Before WIDENER, LUTTIG, and WILLIAMS, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Roy Benjamin Salley, Appellant Pro Se. Steven Michael Pruitt,
BURNS, MCDONALD, BRADFORD, PATRICK & TINSLEY, Greenwood, South
Carolina, for Appellee.

Unpublished opinions are not binding precedent in this circuit.
See Local Rule 36(c).

PER CURIAM:

Appellant appeals the district court's order dismissing his 42 U.S.C. § 1983 (1994) complaint. Appellant's case was referred to a magistrate judge pursuant to 28 U.S.C. § 636(b)(1)(B) (1994). The magistrate judge recommended that relief be denied and advised Appellant that failure to file timely objections to this recommendation could waive appellate review of a district court order based upon the recommendation. Despite this warning, Appellant failed to object to the magistrate judge's recommendation.

The timely filing of objections to a magistrate judge's recommendation is necessary to preserve appellate review of the substance of that recommendation when the parties have been warned that failure to object will waive appellate review. See Wright v. Collins, 766 F.2d 841, 845-46 (4th Cir. 1985). See generally Thomas v. Arn, 474 U.S. 140 (1985). Appellant has waived appellate review by failing to file objections after receiving proper notice. Accordingly, we grant Appellee's motion to dismiss and dismiss the appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
