PER CURIAM:

Appellant appeals the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 1998) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. McCoy v. Corcoran, No. CA-97-1663-L (D. Md. July 1, 1998). We deny Appellant's motions for appointment of counsel and to extend the time in which to file a reply brief. We also deny Appellant's motion for oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
