Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Victor Collyn Greene appeals from the district court's order dismissing his 42 U.S.C.A. § 1983 (West Supp. 1998) action and denying his motion for reconsideration. Greene's motion was dismissed for failure to present a short and plain statement of the facts and due to his attempt to sue unrelated defendants on unrelated claims in one complaint. Because a dismissal without prejudice is generally unappealable, we dismiss the appeal. See Domino Sugar Corp. v. Sugar Workers Local Union 392, 10 F.3d 1064, 1066-67 (4th Cir. 1993). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
