PER CURIAM:

Taylor appeals the district court's order granting summary judgment to defendants on Taylor's 42 U.S.C.A. § 1983 (West Supp. 1998) complaint. We have reviewed the record and the district court's opinion. The district court properly found that there was no genuine issue of material fact and defendants were entitled to judgment as a matter of law. Accordingly, we affirm on the reasoning of the district court. Taylor v. Lane, No. CA-97-624-5-CT-BO (E.D.N.C. July 28, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
