PER CURIAM:

Geza Istvan appeals from the district court's order dismissing his "Complaint for Declaratory Judgment." Our review of the record and the district court's opinion discloses no reversible error. Accordingly, we affirm on the reasoning of the district court. See Istvan v. Motz, No. CA-99-61-AMD (D. Md. Jan. 15, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
