PER CURIAM:

Appellant Phyllis Phillips appeals the district court's order granting the Commissioner's motion for summary judgment and affirming the denial of disability insurance benefits. We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Phillips v. Commissioner of Social Security, No. CA-98-21-L (W.D. Va., Feb. 16, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
