PER CURIAM:

Keith Miller appeals the district court's order granting the Defendant's motion for summary judgment in his racial discrimination employment action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Miller v. Orangeburg South Carolina Consol. Sch. Dist. Five, No. CA-98-1111-5-06BD (D.S.C. Sept. 29, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
