Submitted: July 27, 2000

Decided: August 9, 2000

Before MURNAGHAN, WILKINS, and KING, Circuit Judges.

Affirmed by unpublished per curiam opinion.

William H. Leigh, Appellant Pro Se. John David Leidy, HORNTHAL, RILEY, ELLIS & MALAND, Elizabeth City, North Carolina, for Appellees.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

William H. Leigh appeals the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 2000) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Leigh v. Newell, No. CA-98-18-2-H(2) (E.D.N.C. Nov. 3, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
