PER CURIAM:

Arnold Lorenzo Paige appeals his jury convictions and resulting sentences for crimes committed in relation to Paige's robbery of a United States Post Office. We affirm the convictions and sentences.

Paige argues the court erred in admitting fingerprint evidence and in admitting testimony presented by the Government's expert witness in latent fingerprint examination. We have reviewed the record and find the court did not abuse its discretion in admitting the evidence. See United States v. Patterson, 150 F.3d 382, 387 (4th Cir. 1998), cert. denied, 525 U.S. 1086 (1999).

We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
