cuit Judge.

PER CURIAM:

Albert Manning Scott, Sr., appeals from the district court's order dismissing without prejudice his 28 U.S.C. § 2241 (1994) motion. We have reviewed the record and the district court's opinion adopting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See No. CA-98-509-1 (M.D.N.C. Mar. 26, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
