PER CURIAM:

Rodney Eugene Thompson appeals the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 1999) complaint. We have reviewed the record and the district court's opinion accepting the magistrate judge's recommendation and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Thompson v. Guilford County Sheriff's Dep't, No. CA-98-253-1 (M.D.N.C. Aug. 23, 1999). Thompson's motion to have this court review the original record is granted. We deny Thompson's motion for the appointment of counsel and deny the motion for oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
