## Introduction

The CJA eVoucher System is a web-based solution for submission, monitoring and management of all Criminal Justice Act (CJA) functions. The eVoucher program will allow for:

- On-line authorization requests by attorneys for service providers
- On-line voucher completion by the service provider or by the attorney acting for the service provider
- On-line voucher review and submission by the attorney
- On-line submission to the court

Unless the court has indicated otherwise, attorneys are generally required to create and submit vouchers for their service providers. The program includes the following modules:

## Profile Management

- Allows attorneys to manage their own account information including address, phone and firm associations.
- Notes:
  - The Fourth Circuit does not utilize the Holding Period or Continuing Legal Education portion of the screen.
  - The CM/ECF Access portion of the profile screen is not currently supported in Appellate CM/ECF. You will receive an error message if you attempt to enter your CM/ECF user name and password.

## Voucher & Authorization Request Submission

- Authorization requests by attorneys for expert services.
- Upload supporting documents to vouchers or authorization requests.
- Reports for attorneys to take an active part in monitoring costs.
- Automatic e-mail notification to attorney of approval or return of vouchers and authorization requests.

## Browser Compatibility

- Windows: Internet Explorer 8 or newer are approved. For Internet Explorer 11, set your browser to compatibility mode to log in.
- The Windows Edge browser included in Windows 10 is not compatible. For information on accessing Internet Explorer 11 on a Windows 10 computer, please see the [CJA eVoucher Connecting & Signing On FAQs](#).
- Apple Macintosh: Safari 5.1 or newer is approved.
- **Chrome, Firefox and other browsers may not be used with CJA.**

## Reports and Case Management

At the start of a case, it may be difficult for counsel or the court to know whether a case has the potential to exceed the statutory maximum allowed for representation.

Therefore, attorneys are encouraged to monitor the status of funds, attorney hours as well as expert services, by reviewing the reports provided in the CJA eVoucher program. Items to remember:

- Viewable reports appear on the left review panel.
- Each panel, depending upon which document you are viewing, can have different reports available.
- Each report can have a short description of the information received when viewing that report.
- The two main reports are the Defendant Detail Budget Report and the Defendant Summary Budget Report.

Other accessible reports can be found on the Menu bar.

## Defendant Detailed Budget Report

This report will reflect the total amount authorized for this representation, any excess payment allowed, the vouchers submitted against those authorizations, and the remaining balances.

The report will provide the information in two sections: Attorney appointment and authorized expert service.
