PER CURIAM:

Tiffany Lagenia Noels appeals the district court's order granting Defendants' motions to strike her amended complaint and to dismiss her original complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Noels v. Ocwen Loan Servicing LLP*, No. 8:17-cv-03218-GJH (D. Md. filed July 30, 2018 & entered July 31, 2018). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
